

Jumbled perimeter

The perimeter of the grid contains a simple arithmetical expression, but the letters on each edge are anagrams of the words (one word on each edge). Unscramble the anagrams, do the calculation and put the result into the box provided.

Across

- 7 A lot of sand
Australian artist is
required to send
back (6)
- 8 Central examiner ran
tests without making
mistakes (8)
- 9 Jackpots possibly
caught in
francophone country
(7)
- 10 Sailor keeps setter
less exciting (5)
- 11 Areas of Britain
invented by Trump,
not obviously
gladdening our
leaders (2-2)
- 12 Places of worship
receive computers
with old bugs (10)

14 Trees dancing round

- that's extremely
weird (7)
- 16 One cat is a
thousand in Ancient
Greek philosophy
(7)
- 19 Oracles sat around
moving staircases
(10)
- 22 Dress of adversaries
(4)
- 23 5 sorted out base
joint (5)
- 25 Flower affected
independent running
(7)
- 26 Love cycling around
Amsterdam, say, at
speed (8)
- 27 Find nothing in
ruined castle except
sulphur (6)

Down

- 1 Law enforcement
family improve
listening device (8)
- 2 Extravagantly day-
glo opera star who
was known for
horseback
performance (4,6)
- 3 See a copper I don't
know clean the
carpet? (6)
- 4 Left breast collapsed
(4,4)
- 5 Slightly shorten
tapestry's top edge
(4)
- 6 Space above box for
one part of meal (6)
- 8 Stoutly maintain
independent
nationalist lives in
street (6)

- 13 Newspaper with
desire for security
device (4,6)
- 15 Takes pin out,
revealing den of
disorder (5-3)
- 17 Calm before idiot
opens Surrey's
borders (8)
- 18 Irritable model tours
University College
Hospital (6)
- 20 Silly smile easier
after losing pound
(6)
- 21 African, very
African country (6)
- 24 Blast ducks during
races (4)
